- Aluminum Foil: 4 ¼" x 5 ½"

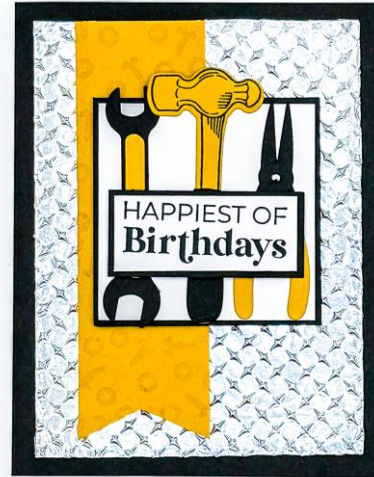

## **Directions**

1. Emboss the aluminum foil using the embossing folder.
  - a. Place adhesive on the Basic White (foil base).
  - b. Gently apply the embossed aluminum foil to the Basic White (foil base). Wrap the raw ends gently to the back.
  - c. Adhere the layer to the center of the card base using Glue Dots. Do not press down on the foil or you'll de-emboss the image.
2. Create a banner tip on one end of the Crushed Curry (banner) cardstock using your scissors.
3. Ink the screw image using Crushed Curry ink.
  - a. Stamp off a layer of ink on scratch paper to reduce the color.
  - b. Stamp the image on the Crushed Curry (banner) cardstock.
  - c. Repeat this step until you've filled the banner as desired.
  - d. Adhere the banner near the left side of the aluminum foil layer as shown. Be careful not to press down on the foil around the banner or you'll de-emboss the image.
4. Adhere the Basic White (layer) to the Basic Black (layer).
  - a. Adhere the layer to the upper center of the card base using Dimensionals.
5. Die cut as follows using scrap cardstock:
  - a. Wrench = Basic Black
  - b. Wrench center, use the solid pencil die = Crushed Curry
  - c. Needle nose plier tips = Basic Black
  - d. Needle nose plier handles = Crushed Curry
6. Trim the Crushed Curry pencil die with your scissors so it will fit inside the center of the wrench.
  - a. Adhere to the center of the wrench using liquid glue. Let dry.
7. Adhere the needle nose plier tips together using liquid glue. Let dry.
  - a. Adhere the Crushed Curry handles to the bottom of the pliers using liquid glue. Let dry.
8. Stamp the hammer image using Memento ink on Crushed Curry scrap cardstock.
  - a. Die cut the hammer using the coordinating die.
  - b. Die cut the hammer again using the Basic Black scrap cardstock.
  - c. Cut the Basic Black hammer at the top of the handle.
  - d. Adhere the black handle to the stamped image using liquid glue. Let dry.

9. Adhere the tools vertically across the Basic White (layer) using liquid glue. Let dry.
10. Stamp the greeting using Memento ink on the Basic White (greeting) cardstock.
  - a. Adhere the greeting to the Basic Black (greeting) cardstock.
  - b. Adhere the greeting to the lower center of the tools using Dimensionals. Position the greeting so it will hide the raw/cut end of the center of the wrench.
11. Place a silver pearl inside the center joint of the needle nose pliers.
